RE: Complaint against Judge Randy Kennedy  
File No. 10-4376

Dear Ms. Franklin:

Upon your appeal, a three-judge investigative panel of the Court of the Judiciary has directed that Judge Kennedy be asked to respond to your complaint. A letter will be sent to him next week, and he will have 30 days to respond. You will then receive his response and be afforded an opportunity to comment.

Following the events listed, the investigative panel will again review the matter and make further determinations.

Please advise if you have any questions.

Sincerely yours,

Patrick J. McHale  
Assistant Disciplinary Counsel
